MINUTES of a Special Parish Council Meeting held at 123, Ashford Road, Thanington, Canterbury, Kent, on Wednesday, 20th October 1976

CHAIRMAN. Cllor Mr. A.R.Palmer in the Chair.

PRESENT Cllors Messrs A.R.Palmer, W.J.Knott, R.E.Tolputt and Mrs M.M.Kite.

ABSENCES Apologies for absence received from Cllors Messrs Jacobs and Bradshaw and Mrs Sanders.

CLERK OF THE COUNCIL. Thirteen applications were received and considered, in response to the Press Advertisement which had appeared for three weeks in the Press.

The Chairman said one Applicant had already withdrawn as he was a Senior Officer of the City Council who would not agree to his accepting the position. A second Applicant, also a City Council employee, on being telephoned during the meeting with further details also withdrew his application.

Decided that none of the other Applicants, with the possible exception of Mr. F.M.Smith of Tonford Lane, met the requirements of the Council and the Clerk was instructed to write to each Applicant to that effect, but to write to Mr. Smith giving him further details of the position to see if he was still interested.

Decided to insert an amended Advertisement for a further 3 weeks in the Press giving more information of the position.

CLOSE The Chairman closed the Meeting and said another meeting would be called on receipt of further applications and in the meantime the Clerk had agreed to carry on after 31st October until a suitable Applicant had been appointed.
