  - e. Harris Charity – To talk about taxi service from NHL. Northgate have given a verbal quote of £8 to £9 per trip. They would be happy with PC paying once a month. We would need to speak to them to finalise the price and stops. It is suggested that it be a free service with people asked to make a donation to the fund. This would cut out any management problems. The service would primarily be for any pensioners who would have priority but would take any other person if spaces were available. Booking would not be necessary as Northgate would be using a minibus and is a taxi company not a private hire company.
