Working to make your world safer, cleaner, better

Four of the Parish Council's recent achievements....

An untidy corner at the top of Hollow Lane has been cleaned up with hard-standing for a communal bench

Resident Peter Todd has been employed to keep the grass verges tidy on either side of New House fields

Easier and safer access to Wincheap footpath on New House Lane with new post and rail fencing

A kissing gate allows access to the soon-to-be restored Hambrook Marsh land
