*Working to make your world safer, cleaner, better*

The unkempt corner of communal land due for a makeover by the Parish Council

Work is due to start soon to tidy up an overgrown area of land on the corner of Cockerling Road.

Contractors will first clear the site and then the Parish Council will bring in specialists to landscape it and install a communal bench.

*'The aim is to provide an area at the end of the footpath that will be pleasant and community friendly,' says the Parish Council Clerk.*
