

Action 4 U

Seasons to be cheerful

New fencing makes footpath safe for children

The 20-30ft drop from the raised footpath on Hollow Lane has always posed a danger to school children, toddlers and mums - and anyone walking home late at night.

The Parish Council has now finished Stage 1 of its project to install wooden fencing along the footpath, covering 200 metres from the New House Lane entrance to half way down.

The work was carried out by gardening and landscaping company, Four Seasons, in about four days.

Stage 2 of this project will be completed next year when funds have been budgeted. This will

continue down to the A2 underpass. This footpath is well used by residents in the Thanington Without south ward. Over the years there have been incidents of people falling down the bank into the road below.

Your Parish Council is happy to take on the jobs that both Canterbury City Council and Kent County Council cannot fund.

If you know of any improvement in our Parish that you think would help make it a better place to live, please let us about it.

You can see the work the Parish Council is doing by looking at our website (see bottom of page).

Or why not come along to one of our meetings which are held at 7.30pm on the second Monday of every month, at the Ashford Road Community Association hall.

Contractors deliver the fencing. Top, first stage of the project is completed on time

Your Parish Councillors...
