## 'Reduced congestion and new neighbourhood'

From page 1

to operate as currently with the benefit of improved access.

### PHASE THREE

Phase three could then complete the development to the north side of the re-routed A28, including new office and commercial development at the eastern end of the Regeneration Zone.

### PHASE FOUR AND FIVE

Phases Four and Five could see the delivery of the areas to the south of the re-routed A28, which

would complete the residential element of the neighbourhood and provide further community and local retail spaces along the main route. Further open space provision should be delivered in these phases. Phases may overlap and the order may change within and between individual phases, according to market conditions.

*Public exhibitions will be held at Unit 18, Marlowe Arcade (between the Early Learning Centre and Miss Selfridge) on: Jan 31 at 12noon -7pm; Feb 1, 2, 4, 5, 6 at 10am-4pm.*
